Material Handling Information/Rate Schedule

SMG Exposition Services has been designated the official drayage contractor, and is responsible for receiving, unloading, warehousing, delivering shipments to the booth, storing of empty crates, reloading and processing of all exhibitors freight shipments.

SHIPMENTS: All shipments must be PREPAID. Collect shipments will not be accepted. All shipments should be made out on a straight bill-of-lading and include the number of pieces, weights and classification of the shipment. Heavy items which require special handling or care, please forward to SMG Exposition Services, detailing handling instructions and weight involved. Shipments arriving prior to the official move-in time must be consigned to the advance warehouse as the exhibit hall has no provision for accepting or handling freight prior to the scheduled move-in date. Warehouse shipments should be scheduled to arrive no later than five days prior to move-in. Shipments received without an official weight ticket will be estimated by SMG Exposition freight handlers upon arrival.
